17th - 19th
Centuries

America's Origins:
Bible-believing Christians
established America on a
Biblical Foundation

Common Moral Foundation
Biblical Morality
Absolute Truth

Everyone had the same
understanding of RIGHT &
WRONG and GOOD vs. EVIL

Crime/evil was dealt with
swiftly and consistently

Nation of laws: all men
treated equally
(Justice was blind)

Gospel proclaimed and
spread around the world
(more than all other nations
in history combined)

America flourished
Greatest nation in history
Everyone wanted to come
here

Led to liberty, productivity,
wealth & prosperity (all
classes improved – no "fixed"
class standing)

Satan hates man (made in God's image)
Satan hates America (spreading Gospel)
Satan's influence on earth threatened

19th - 21st
Centuries

Satan sets out to Destroy
America with the Devilisms

Promotes Relative Truth
(with man as source) &
discourages Absolute Truth
(Based on the Bible)

No foundation for morality

No common values system
(no unity)

Unequal application of laws
("elites" vs. "little people")

Evil is unpunished and
greatly promoted

Biblical values
(righteousness) condemned
as "evil"

Gospel rarely proclaimed
Christian testimony weak
Little Salt & Light
Wickedness reigns supreme

Confusion, chaos, violence, wasted or
unavailable natural resources,
poverty/homelessness, loss of liberty:
will lead to a totalitarian elite which will
rule with an iron fist (Marxism)
